

Contributions

Having each member's contribution, each year, is one indication of the continuing strength of Newtown Friends Meeting and its activities.

How to Contribute

Contributions to the Meeting can be made in several ways:

Personal check sent directly to the Assistant Controller for Receipts Controller:

Newtown Monthly Meeting

Personal checks may also be left at the Meetinghouse on First Day during regular hours of operation in the Financial Oversight mail slot, in the administrative room located off the main stairway to the second floor.

Electronically, by setting up Newtown Monthly Meeting through an electronic bill-paying function through a contributor's financial institution.

Using a Credit Card online through the PYM website (www.pym.org) which will now accept recurring or single gifts to Monthly and Quarterly Meetings as well as to PYM itself.
